this amazing floss!

PA 11 DENTAL FLOSS:

- Sustainably sourced from the **castor plant**, requiring minimal water and causing no deforestation or competition with other crops.
- 100% bio-based
- Perfect for vegan customers
- 800 dtex with 5-heads for effective cleaning
- Durable sustainable floss
- Available in white (other colors available upon request through your Account Manager)

RISER®+SILVER FLOSS:

- A cutting-edge floss that combines our patented Riser® technology with a silver filament.
- Leverages the antibacterial properties of silver to reduce bacterial load in the mouth (e.g., klebsiella pneumoniae, staphylococcus aureus).
- Helps alleviate sensitivity for enhanced comfort.
- A truly exclusive floss for a premium oral care experience.

MICROFIBER DENTAL FLOSS:

- 1440 thin filaments - one filament is thinner than one hair (Dtex 0,58)
- 835 dtex made from 5 heads, the number of heads can be customized
- Well known for its absorption properties, this floss easily absorbs aromas and treatments.
- Very gentle and soft on the gums, it works well with tight interdental spaces
- Thanks to the wax, it slides very well between the interdental spaces
- Available as a white floss

GRAPHENE TREATMENT:

- A revolutionary graphene-coated floss.
- Boasts high tenacity and superior antibacterial effect.
- The thinnest material in nature.
- Available as an expanding floss, providing optimal cleaning coverage.
- Choose from three or four heads, with 1070 or 1370 dtex options.
